

Energy Panel Structures, Inc.

Engineering Tech/Materials Estimator

Energy Panel Structures, Inc., an industry leader in commercial and residential construction with headquarters based in Graettinger, Iowa, currently has an opening for an Engineering Tech/Materials Estimator at their Graettinger location. This position will report to the Engineering Manager.

Desired Skills and Experience

Key Responsibilities:

- Design, draft and produce material list takeoffs for other EPS complete building packages/component sales.
- Communicate with EPS Outside Sales, Inside Sales and others in the EPS design team.
- Assist EPS Commercial Project Manager with rough framing takeoffs for bid submissions.
- Attend training/continuing education events to advance relevant knowledge and skills.
- Work as a motivated, positive, team oriented member of the EPS team.

Key Skillsets:

- Working knowledge of Autocad.
- Knowledge of construction methods and materials.
- Demonstrated proficiency with Microsoft Word & Excel.
- Ability to read and understand blueprints and architectural drawings.
- Self-motivated ability to manage time and schedules.

Education and Experience:

- 3-5 years' experience
- 2-4 year degree preferred, but not required dependent on experience.

EPS is a Drug Free Workplace. Applicants must be willing to undergo Pre-employment Drug and Background screening.

We offer a very Competitive Base Salary, Comprehensive Benefit Package including 401k and ESOP.

This position will be located in either our Graettinger, IA; Urbandale, IA or Perryville, MO locations. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status.

To apply via email, please send your resume and cover letter to mstarkson@epsbuildings.com.
