We're Hiring: Program and Event Specialist

THE JOB

Under the direction of the Recreation and Facilities Manager, this position will help to plan and implement recreation programs for all ages and a variety of special events in the parks!

Make a difference in the community by providing opportunities to get active, learn, and make connections!

MUST-HAVES

Individuals with a passion for building community, collaborative work, and innovation are encouraged to apply! Eligible candidates should have:

- Associate's degree or higher in Park and Recreation Administration, or closely-related field.
- 2 years' experience with recreation and youth programming.
- Leadership experience.

- **FULL TIME + BENEFITS**
- **\$28/HR ANTICIPATED HIRING RATE**
- **CAREER DEVELOPMENT OPPORTUNITIES**

Ideal candidates will have experience working in a recreation programming setting and will come with an understanding of current recreation trends. This position will assist with a wide variety of Parks & Recreation responsibilities including:

- **Youth sports**
- **Youth summer camps**
- **Adult athletics**
- **Active older adult (55+) programming**
- **Music in the Park series, city festival, and other popular events.**
