

Truck Driver – Lowboy Heavy Equipment

Company Overview

Valley Paving was founded in 1978 with the goal to provide the highest quality road construction and paving services in the eleven-county metro area of the Twin Cities. In its second generation, that vision continues today with a proven record of award-winning projects throughout the area. We are a family-run business, which prides itself on superior talent and project management throughout our field operations, integration of the newest technologies on the market and quality final products for the traveling public and the owner.
